

## DISCOVERING THE LIBRARY

**Spending time in the library is a wonderful way to share more fascinating stories with your child!**

### **Meet the librarian.**

Make a special point to introduce yourself and your child to the librarian. Take a tour of the library and get comfy in the children's area. You'll enjoy many hours there for years to come.

### **Get a Library Card**

If you don't have one, get a library card for your child and for yourself! Not only can you check out books, but they have DVDs and audiobooks, and many have computers you can use as well.

### **Story Time**

Most libraries offer a story time for your child to participate in. Find out when the story time is and try to be there so your child can participate. If there is no story time or it's scheduled at a time you can't make it, find your own special time to come to the library and find a special "spot" where you can relax and enjoy your favorite stories with your child.

### **Bring Along a Friend**

Going to the library can be even more fun with friends. Use the library as a reward for good behavior by inviting a friend to come along. Make it a play date!
